

Testimonial

Kristin Lamoureux - George Washington University, USA

"I have found working with CommLab to be an *extremely pleasant experience*. Our needs are evolving but their staff has been patient and very willing to make changes as needed. Communication is critical to us. CommLab has been great at quickly and *efficiently communicating with us* as issues arise.

Their costs are very reasonable compared to other vendors without compromising quality. Overall I am very pleased with the work RK and his staff has produced for us."

Kristin Lamoureux
Director of Innovation and Research
The George Washington University, USA

About George Washington University, USA

The George Washington University is located four blocks from the White House and was created by an Act of Congress in 1821.

For more than two decades the University has been a leader in tourism, sport, and event management education and research.
